Meeting

25th March 2020

Marion's Memo:

A warm welcome to our March Newsletter and I mean warm. What a weird summer we are having. I hope everyone is coping. Sadly Moira Clarke has passed away having been unwell for many months. Our sincere condolences to Ken and their family. A small reminder to use the benefits offered to you through NSA. There is a 10% discount on certain stores, Amart, Freedom and Plush furniture stores, Mycar offers a 12% discount on tyres, services and other bits and pieces to help your car running to full capacity. Not doing too well as per usual re trips a little disappointing as our first go for 2020 was cancelled due to lack of interest. As you all know we always have had to subsidise every one of our bus trips to cover the cost of empty seats which in the past has led to our finances not being as healthy as they should have been. This year Committee decided to not do this unless it is to cover only two or three but it was too many this time so trip was once again cancelled. Certainly hoping for a better result in the future. Once again there was a wonderful turn up of members to the Club lunch held at 162 Beach St. We were very well looked after and the food was very well received. I would like to thank everyone who attended on such a hot humid day. Our next Club Lunch will be on **Friday the 20<sup>th</sup> of March at 12.30. Venue will be Food Star** on Nepean Highway. Great news for Roy and Doreen McLaren who have been made Life Members of NSA, and not before time. A very Happy Birthday to all you Pisceans out there. To those who are not too well at the moment a speedy recovery and please let Margaret McGrath or myself know of anyone who is unwell or has had an injury. That's all folks for this month. Marion

**The brain is the most outstanding organ in the body.**

**It works for 24 hours a day , 365 days a year,**

**Right from your birth.....Until you fall in love.**

### **WELFARE REPORT FROM MARGARET MCGRATH**

June Malone is recovering well after a fall and a trip to Hospital.

Have you ever considered some of the uses of a Walking Stick

When the shower rose is too high in a motel pull it down with your stick.

To fetch something from under furniture or from a shelf in the Supermarket.

To push something out of your way.

Or perhaps beat someone to death, but only if you are really annoyed.

**97869264**

## COMMITTEE CONTACTS

<b>President and Zone Delegate</b>	
Marion Tracey	9776 6648
	0425704481
