Chris Milne: Secretary: 0475 582 118	Maureen Moffett: Speaker Planner 0427 084 422
Patricia Skinner: Treasurer 0428 611 835	

**NEXT GATHERING: CHRISTMAS LUNCH, TUESDAY 14 DECEMBER AT THE LESMURDIE CLUB, LAWNBROOK ROAD WALLISTON, 12 NOON FOR 12.30.**

So, we have come to the end of another successful branch year; all to due your support and the work of those who serve so well to manage our social and business affairs,; as well as those volunteers that contribute on meeting days. We should all be rightly proud of our standing within Zone 108 and our ability to attract such a large 200 strong membership base., I am so privileged to be part of this success story.

The November meeting attracted an attendance of 100 members and 4 visitors; the latter being John Baldock, Arlene Quinn, Ros Quinn and Alan Smailes; a very sincere welcome to our visitors with the hope of them becoming regular attendees. Christine Allen, our guest speaker from COTA (WA) delivered a very professional, interesting and informative presentation on "Navigating the Aged Care System". I'm sure that we came away much the wiser!

**Pasta in the Valley** - This outing proved to be a great success with all 53 of us enjoying the fellowship, food and festivity. It's probably one of those events that could be well worth doing again at another time. Congratulations to Glenda for making it happen and Gary for his photographic skills, as shown over page.

**Sharing a Hills Christmas** - We have been supporting this very worthy cause for many years through donations of food and gifts brought to a collection point at our Christmas lunch. There are people in need at Christmas time living in the City of Kalamunda and our contribution will be well appreciated. If you would like to assist with packing and or distribution please call 0448 812 534.

Because it's such a long break between the Christmas lunch and our February meeting, the committee is suggesting a sundowner in Stirk Park on Tuesday 11 January from 4.30 PM. Your presence will be pleasurable.

### Final word -

There will be 104 of us at the Christmas lunch and on that note may Joyce and I take the opportunity of wishing each and every one of our members a very happy and healthy festive season.

We look forward to seeing you in numbers for our first meeting in February 2022.

GRAEME
